Designers

Profile

Board

Measurement

20 x 92mm
20 x 117mm
20 x 142mm

Grade

Thermo-D

Grading Description

Thermowood cladding will deliver decades of trouble-free service. It has a decay resistance of durability class 2 (durable) according to BS1186-3.

Thermowood cladding has excellent dimensional stability due to the heat treatment process. Shrinkage and swelling are minimal, displaying only small movements with changes in humidity.

Recommended Fasteners

Stainless Steel Annular Ring Shank Nails
